

# Black F Honors Award – June 2026

Awarded at graduation to students who have an average of 90% or higher and attend FHS for Grade 11 and 12. The average is to be calculated using the marks of 7 compulsory courses plus the marks of the highest 11 other courses at the grade 11/12 level. In the tables below, please fill in final grades for those courses that have been completed and mid-term marks for any course that you are currently taking. Please only use F1 and F2 marks for grade 11 and F1 and Q3 marks for grade 12, found on report cards. Averages will be verified prior to the graduation ceremony **and will not be rounded up**. Students must apply for this award, and applications must be received by the Main Office no later than Tuesday, April 7<sup>th</sup> @ 4:30 p.m. *Late applications will not be accepted.*
