Black F Honours Award Criteria 2022-2023

The criteria for receiving the Black F Honours Award are any student who has been enrolled in a full course load in grade 11 and 12 with an average of 85% or above. The average is calculated based on final marks attained in 11 and 12 (20 courses). Averages will not be rounded up.

The final list of Honours students will be calculated after marks have been submitted in June, prior to Graduation. You do not need to apply for this award.

Students who are awarded the Black F Honours Award will receive an Honours Cord at the Graduation Ceremony and their names will be printed in the Graduation Program.

If you have any questions, please reach out to Ms. Bourgaize in the Main Office.
