

# Black F Honors Award – June 2025

Awarded at graduation to students who have an average of 90% or higher. The average is to be calculated using the marks of 8 compulsory courses plus the marks of the highest 10 elective courses at the grade 11/12 level. In the tables below, please fill in final grades for those courses that have been completed and mid-term marks for any course that you are currently taking. All marks will be verified prior to the graduation ceremony and will not be rounded up. Students must apply for this award and applications must be received by the Main Office no later than Friday, May 16<sup>th</sup> @ 4:30 p.m. Late applications will not be accepted.
