Math Choice: students must select a pathway

Foundations/Pre-Calculus Pathway

This pathway provides more options for future Study at Post-Secondary Institutions. The more courses taken, the more options available.

This pathway starts in grade 10 with **Numbers, Relations and Functions 10. (NRF 10)**

This path must be taken for most university programs.

Financial Workplace Pathway

This pathway consists of only 2 courses after grade 10.

This pathway starts with Finance/Workplace Math 110

This path will qualify you for graduation, most college programs and limited university programs.

See video for further explanation:

Students must choose NRF 10
