FAQ's from Grade 8's

What is the deal with Lunch time? Can I leave building at lunch to go outside?
YES, although there are lots of options in the building

Does every grade eat at the same time?
YES

Do we have time for snack breaks/washroom breaks?
YES but you need to stay in building on these breaks.

Do I have to eat in the cafeteria? **NO.**
You may also eat in Kats Klub rooms at lunch (Look for Paw Print on Door)

FAQ's from Grade 8's

When do I get to pick my own courses?

Every February students will pick their courses for the next school year. You will have about 3 choices to make and will learn about that in February.

Are there options for music class?

In Grade 9 everyone takes Keyboarding but if you pick Music as your course for your Creative Cluster in Grade 10 there are 4-5 options

How are report cards different than elementary/middle school?

Marks are reflected by percentage. A pass is 60%. You will receive a mid-term mark in November, then final marks from Semester 1 at end of January. For semester 2, mid term marks are at end of March, with final marks at end of June.

How big are the lockers?

½ size to yourself (usually)

What doors do I enter?
The doors you are dropped off at in the morning by your bus. If unsure, Main Office doors.

What if I am late?
All doors lock once the first class begins so the only door you can come in after that is the Main Office (Priestman Street side). You must sign in.

Can we carry our backpacks?
YES

Questions about Courses

What other languages are offered? **Spanish 110, Spanish 120, and Intro to Wolastoqey 110.**

Are there advanced classes in certain subjects? If so, when can we start taking them? **One Math choice in Grade 10, then many more in Grade 11/12**

Is extra help offered? **Your teachers will let you know at the beginning of the semester when they offer extra help at noon or if it is by request.**

Does our behaviour in Grade 9 & 10 impact our choices for courses in Grade 11 & 12? **Yes, in some classes that have a special application form, such as Cooperative Education, and Outdoor Education.**

More Questions & Answers

Do Grade 9's have exams?

During Assessment Week (January & June) there will be various forms of assessment used.

What do I do if I want to switch my courses?

There is nothing to switch in Grade 9. In the upper years there are small windows of time to switch your course selections. This is done through your school counsellor and sometimes a VP.

Can I switch my course if I do not like my teacher?

No. Consideration will be given however if you have had the teacher before and were unsuccessful (and if there is another option).

Can I listen to music/have my phone in class?

This depends on the class and the situation. The general rule is that phones are to be away (in the class holder) unless the teacher advises otherwise.

Floors

- C Wing (Center Block) is the only part of the building that has 3 levels.
 - C123 (top floor=3 digits)
 - C23 (middle floor or main floor=2 digits)
 - C03 (bottom floor or “pit”=first number is 0)

Busses: Pick Up/Drop Off

F Wing

Prospect Street Entrance
(KFC/McDonald's side of building)

C Wing

Priestman Street Entrance
(Main Entrance/Gym Entrance side of building,
soccer field/football field)

Families who are dropping off students via the Priestman Street entrance should only be using the designated drop off lane. As you enter the school driveway, the drop off lane is to your left as shown below.

Once you turn left, please advance as far as you can in the Drop Off Zone (indicated above) to allow other families to pull through so that they do not add to the congestion of the main driveway.
